

Fawn's Boxers

Stud Contract

This is to certify the stud dog named below was bred to the female named below on the dates listed

Stud Dog: Mader _____

Female: _____

Dates of Breeding: _____

Witnessed By: Don &/or Fawn Conover

In the agreement of this breeding between stud owner and female owner, the stud owner has chosen the option of a stud fee or _____ for service to the said female listed in this agreement.

Stud fee for service to be paid at time of breeding: \$550.00

Receipt for Payment

Payment Method: _____

Date: _____

Owner(s) Initials: _____

- At least (1) one puppy born constitutes a litter.
- In the event of no pregnancy resulting from the stud service between said stud and said female listed above, the agreement allows for a free return service that will be provided to the same female with the same stud dog (if available). If the same stud dog is not available the owner of the female may choose to use another stud dog referred to by Fawn's Boxers, Fawn Conover.
- In the event of no pregnancy of stud breeding between the said stud and said female listed above a letter from a licensed Veterinarian in good standing with the Veterinarian State Board must be written and signed by the Veterinarian of female owner's choice, the letter must state there was no pregnancy or litter produced from the said female.
- This letter must be post-dated no later than (7) seven days after the said female due date.
- Fawn Conover, owner of Mader of Fawn's Boxers will sign AKC litter registration upon evidence that proper procedures are followed. The female owner will notify Fawn Conover as soon as a litter is produced and provide the Date of Delivery, number and gender of the puppies.

This is a legally binding document and will be enforced in the State of Arizona and the County of Maricopa.
